So here we are, another year later.
I bet you've all been wondering, "What, what happened after?!"
Did they get together?!
Did she call him again?!
6080
Just remember.
You WANTED to know.
CHAPTER 1

So he e-mailed me one month before the con, out of the blue.
Just one line.
"You misspelled 'salaciousness' in today's entry."
Signed 'Matt,' all eloquent-like.

I told my buddy-pals, of course, because I just don't know when to keep my mouth shut.

Which means I now have to put up with THIS.
BETCHA FIVE PAWKY BOXES--ONE HOUR BEFORE THEY'RE MAKING OUT.

AH, ALWAYS A PROBLEM WITH SOME PEOPLE.
UNDER-STATEMENT OF THE CENTURY.
HEH.
...
It's true, much as I hate to admit it.
We seemed so perfect for each other when we couldn't have it. But now...

I really wanted to ask why, but I don't really need to, I guess.
Emily broke up with him shortly after the con, he said.
I kind of know already.
A heart broken--and for what? All we do is fight.
...
...WE HAVE NOTHING IN COMMON!! NOTHING!! HE THINKS BAFFY THE VAMPIRE KILLER IS LAME!
HA HA! TOO RIGHT!

He's just a friend. I have to remember that.
Just a friend.
Whatever happened last year...and the year before...we're so different now.
But...
...it's freaky how one thing remained exactly the same.
No matter what stupid things he's said, or how pissed off I am at him...
